

## Registered Provisional Psychologist

We are currently looking for a **Registered Provisional Psychologist** to join our team as a contractor.

### Who We Are

Cornerstone Counselling is an inclusive, faith-based, not-for-profit agency with a 45-year history of offering compassion, support, and healing to people from all walks of life. We believe that everyone who needs help, irrespective of faith, race, gender, lifestyle, or financial ability should have access to mental health care. Our diverse team of accredited professionals provides a wide range of mental health services for individuals, couples, families, teens, and children as young as four years old. Today, we are proud to recognize that our work has touched as many as 90,000 lives over our history. Our client base is diverse, and we employ counsellors who use many different evidence-based modalities in their work. If you would enjoy working with a motivated group of counsellors in a collaborative work culture, apply to join our team today!

### What You Will Bring to the Role

- Alignment with our core values, mission, and community service orientation.
- Some experience working with adults and couples. An interest in working with teens is an asset.
- Some experience working with a wide variety of mental and emotional issues and a willingness to learn and grow your skill set.
- Master's degree in Counselling and have a registration in good standing with the College of Alberta Psychologists.
- Ability to work independently and collaboratively within a team environment.
- Have professional liability insurance.
- Must be able to work a minimum of 10 clinical hours per week.
- Must be able to work weekday hours Monday through Friday with some evening hours. Saturday hours are also available.

### What We Will Offer You

- The opportunity to join an organization with a 45-year history of providing accessible mental health services to people in the Edmonton area.
- Well-established and growing client base.
- Positive corporate culture founded on respect, trust, and engagement.
- Extensive marketing program.
- Supportive administrative team to manage scheduling and billing.
- New, centrally located office spaces that are bright, modern, and fully furnished as well as play therapy equipment.
- Flexible work schedules.
- Competitive compensation.
- In-house training and consultation.
- Access to onsite supervision and training from experienced psychologists.
